Project Title: Reevaluation of Inpatient Claims-Based Outcome Measures

Project Overview:

The Centers for Medicare and Medicaid Services (CMS) has contracted with Yale New Haven Health Services Corporation–Center for Outcomes Research and Evaluation (CORE) to reassess CMS claims-based hospital outcome measures currently in reevaluation. The contract name is Development, Reevaluation, and Implementation of Outcome/Efficiency Measures for Hospital and Eligible Clinicians, Option Period 2; the contract number is HHSM-75FCMC18D0042, Task Order HHSM-75CMC19F0001.

As part of its measure maintenance process, CORE asks measure developers to convene groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during maintenance and reevaluation. The table on the next page has Technical Expert Panel participant details (name, credentials, organizational affiliations, etc.).
