

# Technical Expert Panel (TEP) Membership List

**Project Title:** Development and Reevaluation of Maternal Health Measures and Designation

**Project Overview:**

The Centers for Medicare & Medicaid Services (CMS) contracted the Yale New Haven Health Services Corporation – Center for Outcomes Research and Evaluation (CORE) to develop, reevaluate, and support the implementation of several maternal health measures and the expansion of CMS’ Birthing-Friendly Hospital Designation. The CORE contract name is Development, Reevaluation, and Implementation of Outcome/Efficiency Measures for Hospital and Eligible Clinicians, Base Period. The CORE contract number HHSM-75FCMC18D0042, Task Order HHSM-75FCMC24F0042. As part of its measure development process, CORE convenes groups of stakeholders who contribute direction and thoughtful input to the measure developer during measure development and maintenance.
