Project Title: Sepsis Readmission Measure

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) contracted the Yale New Haven Health Services Corporation – Center for Outcomes Research and Evaluation (CORE) to develop a sepsis readmission measure. The CORE contract name is Development, Reevaluation, and Implementation of Outcome/Efficiency Measures for Hospital and Eligible Clinicians, Base Period. The CORE contract number HHSM-75FCMC18D0042, Task Order HHSM-75FCMC24F0042. As part of its measure development process, CORE convenes groups of stakeholders who contribute direction and thoughtful input to the measure developer during measure development and maintenance.
