**Project Title:**

Addressing Social Needs Electronic Clinical Quality Measure (eCQM)

**Project Overview:**

The Centers for Medicare & Medicaid Services (CMS) contracted with Yale New Haven Health Services Corporation – Center for Outcomes Research and Evaluation (CORE) to re-design a measure of screening for social needs (e.g., housing status, food insecurity, transportation). The re-designed measure will be an electronic clinical quality measure (eCQM) evaluating hospitals addressing social needs. The contract name is Measure & Instrument Development and Support (MIDS): Development, Reevaluation, and Implementation of Outcome/Efficiency Measures for Hospital and Eligible Clinicians, Option Period 4. The contract number is HHSM-75FCMC18D0042. As part of its measure re-design process, CORE convenes stakeholders, experts, and consumer advocates who contribute direction and thoughtful input on their work and analysis. The purpose of this TEP is to assemble a group with diverse perspectives and expertise to advise on conceptual, technical, and implementation considerations of this measure.
